

Prince Rupert Library Survey

The Prince Rupert Public Library wishes to find out what our community wants from the Library.

1. How often do you use the Library?

- Very Frequently
- Frequently
- Sometimes
- Infrequently
- Never

2. Where do you find out about library events?

- Facebook
- Library website
- Posters around town
- Word of mouth

2. What are the three most important things that the Library does?

- Circulation of physical materials
- Providing access and help to the Internet, computers and printing
- Provide meeting places for self-help and help from others
- Children's programs
- Access to government services/forms
- Resume development, job searches
- Adult activity/programming
- Special Collections (eg. Northwest History collection)

3. What three things would you like to see more of at the Library?

- Bringing experts to Library for public talks
- Technical (computer) instruction sessions
- Outreach to neighbouring communities
- Teen programs
- Children's programming

4. What do you see for the future of our own Prince Rupert Public Library?

This survey may lead to further opportunities to contribute to our strategic plan, if you wish to be contacted by us, please write your name and contact info on this survey. Your information will not be shared with any other party.

Please return to Prince Rupert Library
